**RESPONSE TO NOTICE TO FILE MISSING
PARTS OF NONPROVISIONAL APPLICATION
AND SUBMISSION OF SUBSTITUTE SPECIFICATION**

This is submitted in response to the Notice to File Missing Parts of Nonprovisional Application mailed March 12, 2002, a copy of which is submitted herewith. A response is due on or before July 12, 2002 with a two-month extension of time.

The Notice to File Missing Parts of Nonprovisional Application indicates that the oath or declaration is missing. In response thereto, Applicant submits herewith an executed Declaration and Power of Attorney.

In addition, the Notice indicates that a substitute specification is required because the line spacing on the specification, claims, or abstract is not 1 ½ or double spaced. Pursuant to 37 C.F.R. 1.125(a), Applicants submit herewith the substitute specification. The substitute specification modifies the spacing of the specification, claims, and abstract to conform with 37 C.F.R. 1.52. In addition, the substitute specification corrects some typographical errors, which are reflected in the attached marked-up copy of the original specification. Applicants respectfully submit that no new matter has been added to the substitute specification.

The Commissioner is authorized to deduct the surcharge of (\$65) from Deposit Account No. 08-0219.
